

HELP SUPPORT ADOPTION

Oklahoma has a license plate that will help make Adoption a more viable option for Oklahoma women. The Choose Life License Plate costs an additional \$35.00 at the tag agency. \$20.00 from each tag is deposited into the Choose Life Assistance Program Revolving fund to be distributed annually to agencies that qualify and apply for the grant.

The Oklahoma Choose Life License Plate will raise money for non-profit agencies who **DO NOT** counsel or refer for abortion, do not charge for their services, and help women in crisis pregnancies who choose adoption.

0% Administrative Fees

60% of the funds raised will directly benefit women in crisis pregnancy situation, who want to place their babies for adoption. It will provide food, clothing, transportation, medical assistance or whatever is needed by adoption minded women.

40% of the funds are used for counselor training, educational materials, videos etc. to train and educate counselors to present adoption to pregnant women in crisis. No funds will be used for administrative expenses.

The funds will fill a void that currently exists in the initial emergency stages of the adoption process and will help make adoption a more achievable and chosen choice in Oklahoma.
